Re: AUTHORIZED ONLINE DEALER OF MAKITA PRODUCTS

Dear Customers,

Please be cautioned that many sellers that sell Makita products on e-commerce platforms are NOT our authorized online dealers. Always make sure that you purchase Makita products on e-commerce platforms only from Makita's authorized online dealers. You can confirm whether your seller is our authorized online dealer by checking our Facebook page at Makita Power Tools (Malaysia) Sdn. Bhd. or our website at www.makita.my.

KINDLY NOTE THAT MAKITA PRODUCTS THAT ARE PURCHASED FROM AN UNAUTHORIZED ONLINE DEALER WILL NOT BE COVERED BY MAKITA'S WARRANTY.

Makita's authorized online dealers are selected for their commitment to sell only genuine Makita products. Products sold by our authorized online dealers are purchased from Makita Power Tools (Malaysia) Sdn. Bhd. or through proper distribution channels. These products will be entitled to our warranty coverage.

However, there are some sellers who acquire Makita goods from an unknown or improper source. Products sold by an unauthorized seller may be stolen, defective, damaged, pirated, or not suitable or not intended for use in Malaysia. Due to these concerns, we do not provide warranty coverage for Makita products that are sold online by unauthorized online dealers. Therefore, we strongly recommend you pay extra caution when making an online purchase of our product.

You can always get the latest list of Makita's authorized online dealers from our webpage at www.makita.my and our Facebook page at Makita Power Tools (Malaysia) Sdn. Bhd. You can also contact our Customer Service at 03-8023-0824.
